Other medicines and WATER FOR IRRIGATION FRESenius

Always tell your healthcare provider if you are taking any other medicine. (This includes all complementary or traditional medicines.)

Interactions between WATER FOR IRRIGATION FRESenius and other medicines are not known.

Pregnancy, breastfeeding and fertility

If you are pregnant or breastfeeding, think you may be pregnant or are planning to have a baby, please consult your doctor, pharmacist, or other healthcare provider for advice before using this medicine.

Pregnancy

Generally, water for irrigation can be used during pregnancy.

Breastfeeding

Water for irrigation can be used during breastfeeding.

Fertility

There are no data on the effect of water for irrigation on fertility.

Driving and using machines

WATER FOR IRRIGATION FRESenius has no influence on the ability to drive and use

machines.

3. How to use WATER FOR IRRIGATION FRESENIUS

Your doctor will tell you how long your treatment with WATER FOR IRRIGATION FRESENIUS will last.

WATER FOR IRRIGATION FRESENIUS is used as required for irrigation only.

It is not used for injection.

For single use only.

Discard any unused portion.

If you use more WATER FOR IRRIGATION FRESENIUS than you should

As this medicine will be given to you whilst you are in hospital it is unlikely that you will be given too little or too much, however tell your doctor or pharmacist if you have any concerns.

There is a possibility of fluid absorption, if this occurs it could lead to excess fluid overload (hypervolaemia) and renal failure may result from this. Treat symptomatically paying particular attention to restoring the electrolyte balance.

Since a healthcare provider will administer WATER FOR IRRIGATION FRESENIUS, he/she will control the dosage. However, in the event of overdosage your doctor will manage the overdosage.

If a doctor is not available, contact the nearest hospital or poison centre.

4. Possible side effects

WATER FOR IRRIGATION FRESENIUS can have side effects.

Not all side effects reported for WATER FOR IRRIGATION FRESENIUS are included in this leaflet. Should your general health worsen or if you experience any untoward effects

Applicant: FRESINIUS KABI Manufacturing SA (Pty) Ltd.

Product Proprietary Name: WATER FOR IRRIGATION FRESINIUS

Approval date: 25 June 2025

while using WATER FOR IRRIGATION FRESINIUS, please consult your healthcare provider for advice.

There are no known side effects if the instructions are followed correctly.

If you notice any side effects not mentioned in this leaflet, please inform your doctor or pharmacist.

Reporting of side effects

If you get side effects, talk to your doctor, pharmacist or nurse. You can also report side effects to SAHPRA via the Med Safety APP (Medsafety X SAHPRA) and eReporting platform (whoumc.org) found on SAHPRA website. By reporting side effects, you can help provide more information on the safety of WATER FOR IRRIGATION FRESINIUS.

Patients are asked to report any suspected Adverse Drug Reactions to the Holder of the Certificate of Registration at the following email address:

safety.fksa@fresenius-kabi.com, and to the relevant medicine's regulatory authority in the country where the product is marketed.
